

# WELCOME TO OUR OFFICE

Welcome to our office. Thank you for choosing Crown Surgery Medical Group to receive your surgical care. The staff of Crown Surgery Medical Group is committed to providing you with the best possible care. To achieve our objective easily we need your support and cooperation. You, the patient, share a responsibility in reaching this goal and we encourage you to ask questions.

Enclosed you will find forms that make up your new patient packet. Please complete the attached forms in blue or black ink only and please bring them with you to your appointment. If you do not complete the required forms or need assistance with filling them out, please arrive 30 minutes prior to your appointment time.

During your initial office visit/consultation you will <u>not</u> be having surgery on that day unless it is deemed a medical emergency by your surgeon. Your initial visit is used to determine the best care for your situation.

Patient Responsibilities.

- Provide us with your picture identification, insurance card(s) and Social Security number to enable us to submit your claims timely and accurately
- Bring all records from your Primary Care Physician and/or the referring physician which may be related to the reason for your visit. You may also fax the records to 951.973.7299 or email to info@crownsurgery.com. If you choose to fax or email the records, please contact the office prior to your visit to confirm receipt.
- Paying your estimated portion of the charges at the time of service and paying any additional amount owed when due
- Knowing your insurance benefits and limitations
- Keep your appointments and give us 24 hours cancellation notice when you cannot make your appointment. You will be charged your co-payment or \$25 for any missed appointments not cancelled more than 24 hours of the scheduled appointment. If you are more than 15 minutes late for your appointment, your appointment will be rescheduled to the next available date.
- Notify us of any changes in your address, telephone numbers, or insurance carriers.
- Most importantly, abide by the follow-up care instructions of the surgeons and professional medical staff.

If your minor child is the patient, a parent or legal guardian must accompany them. Minors without a responsible adult will have their appointment rescheduled. It is unlawful for us to treat a minor (under 18 years of age) without the consent of a parent or legal guardian.

If your insurance company requires you to pay a co-pay, deductible, or co-insurance, our office will collect the appropriate amount prior at the time of your office visit or if you require surgery, the co-pay, deductible, or co-insurance will be collected prior to your surgery date. Failure to provide proof of insurance coverage will require full payment for your visit upon check-in.

# FINANCIAL POLICY

We understand that many patients find insurance coverage and financial responsibility issues complex and confusing so we have outlined our practices policy. Please feel free to contact our office with any questions regarding our policies and our staff will be happy to assist you.

Please note that co-payments, co-insurance and deductibles are a contractual agreement between you and your insurance carrier. We cannot change or negotiate these amounts.

### **Insured Patients**

For our patient's convenience we participate in most major health plans and have contracts with many HMO's, PPO's, insurance companies and government agencies including Medicare and Medicaid. As a courtesy, our billing service will submit claims for services rendered to a patient who is a member of one of these plans and assist you in any way we reasonably can to help get your claims paid. It is the patient's responsibility to provide all necessary information at the time the appointment is scheduled. If you have a secondary insurance, we will automatically file a claim with them as soon as the primary carrier has paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. If you are insured by a plan we contract with but don't have an insurance card with you, payment in full for each visit is required until you furnish us with a copy of the card and your coverage can be verified.

### CoPays/Deductibles/Co-Insurance

Please be prepared to pay for your share of cost at the time of your appointment. Your insurance company requires us to collect co-payments at the time of service. Waiver of co-payments may constitute fraud under state and federal law. For your convenience we accept cash, cashiers checks, debit and credit cards (Visa, Mastercard, and American Express). Please note that there is a \$1.00 surcharge to process debit and credit cards. If you do not have your co-payment, co-insurance or deductible, your appointment may be rescheduled. Additionally, you may have co-insurance and/or deductible amounts due as required by your insurance carrier.

#### **Surgery**

When surgery is scheduled, your insurance benefits and accumulations will be verified. You will be contacted by our office to let you know what your share of cost is. Our office will collect as a pre-payment any remaining deductible you may have and any co-insurance 2-3 days prior to your surgery appointment. Your out of pocket cost is estimated based on your benefits and our fees. Anesthesia, facility, and other providers are separate fees. If your remaining deductible is not applied to our claim by your insurance company, a credit will appear on your account and a refund will be promptly processed and mailed to you.

## PATIENT PARTNERSHIP PLAN

Welcome to our practice. We intend to provide you with the care and service that you expect and deserve. Achieving your best possible surgical outcome requires a "partnership" between you and your doctor. As our "partner in health," we ask you to help us in the following ways:

#### Schedule Visits as Recommended by My Doctor

I understand that my doctor will explain to me my treatment plan in detail. I will schedule the visits pertaining to diagnostic tests, treatments and other physician specialists as recommended by my doctor. I understand that by following the treatment plan as outlined, it will enable me to obtain the highest level possible of functionality and overall outcome.

### Keep Follow-up Appointments and Reschedule Missed Appointments

I understand that my doctor will want to know how my condition progresses after I leave the office. Returning to my doctor on time gives him the chance to check my condition and my response to treatment. During a follow-up appointment, my doctor might order tests, refer me to a specialist, prescribe medication, or even discover and treat a serious health condition. If I miss an appointment and don't reschedule, I run the risk that my physician will not be able to complete my treatment as outlined. This may put my overall outcome at risk, as well as preventing detection and treatment of a serious health condition. I will make every effort to reschedule missed appointments as soon as possible. I understand that I may be charged a fee for an appointment missed without a 24-hour advance notice. I understand that multiple missed appointments could result in my dismissal from care.

#### Inform My Doctor if I Decide Not to Follow His or Her Recommended Treatment Plan

I understand that after examining me, my doctor may make certain recommendations based on what he feels is best for my health. This might include but is not limited to prescribing medication, referring me to a specialist, ordering labs and tests, recommending surgical intervention, or even asking me to return to the office within a certain period of time. I understand that not following my treatment plan can have serious negative effects on my overall outcome. I will let my doctor know whenever I decide NOT to follow his recommendations so that he may fully inform me of any risks associated with my decision to delay or refuse treatment.

Thank you for your partnership. As our patient, you have the right to be informed about your health care. We invite you, at any time, to ask questions, report symptoms, or discuss any concerns you may have. If you need more information about your health or condition, please ask.
